Endorsement:

We authorize Culinary Architects and its lawful agents, successors, and assigns to collect our transaction and purchase history data from our distributors, for all of our locations in an electronic format as required by Culinary Architects. This authorization gives Culinary Architects and Performance Foodservice full authority to negotiate, collect, manage, track, report and utilize this data on our behalf through PFS for manufacturer allowance programs. We acknowledge that is compensated via manufacturer allowances and Culinary Architects is not compensated by Performance Foodservice. Performance Foodservice is responsible for the processing of the data. Please provide and Performance Foodservice via certified mail to terminate this service.

Confidentiality:

In order to protect and preserve information, Culinary Architects adheres to strict confidentiality and non-disclosure policies. Culinary Architects does not disclose, sell or otherwise make available proprietary information but uses it for the express purpose of establishing rebates and deviations for the benefit of the client.
